Dear Parent/Guardian:

On Thursday, May 1st, the Clarke Middle School will be practicing a school lockdown to ensure school security and student safety. The lockdown will take place during a regularly scheduled Team Time (9:50 – 10:50am), where your student will be with their regular homeroom teacher.

Since the building will be in total lockdown, you will not be able to pick-up or drop off your child during this time slot (9:50 – 10:50). The length of the actual lockdown will be determined in coordination with the Lexington Police and Fire Departments, who will be actively involved, helping to create an authentic experience.

Your child received information this morning regarding the lockdown, and will receive more in-depth information and reminders prior to the practice session. If you have any questions, please don't hesitate to call.

Sincerely,

Jonathan R. Wettstone
Assistant Principal
